--------------------	----------------	---------------------	------------------------

Company Overview

W. O. Grubb is the leading provider of crane rental and steel erection services in the Mid-Atlantic United States. W. O. Grubb was founded in the 1960's with a basic concept, which was to provide high quality steel erection services, equipment, manpower and superior responsiveness to our customers. Grubb is one of the largest family-owned and operated crane rental companies in the nation. Multiple locations serve Virginia, Maryland and surrounding states with crane rentals and service.

Description Summary

The Crane Operator / CDL Class A Truck Driver is responsible for operating a mobile crane to lift, move, position, and reposition loads. The Operator controls crane functions by depressing buttons and foot pedals as well as manipulating levers. The Operator will be required to unload crane accessories from trailers or support vehicles. The Operator receives direction from riggers and/or site supervision via verbal or hand signals to determine required load movement. The Operator must also have a CDL Class A license, and will be required to perform pre- and post-trip inspections along with daily and monthly equipment inspections. The Crane Operator / CDL Class A Truck Driver also follows appropriate safety procedures and maintain logs of vehicle repair status and working hours (FMCSA). They typically work under direct supervision and is expected to work long hours with frequent sitting, standing, moving, and climbing. The Crane Operator / CDL Class A Truck Driver is subject to possible exposure to extreme year round outdoor environmental conditions, and may also be subject to working weekends and holidays.
