

Job Title:	Mechanic	Location:	Roanoke, VA
-------------------	----------	------------------	-------------

Reports to:	Maintenance Supervisor	FLSA Status:	Hourly / Non-exempt
--------------------	------------------------	---------------------	---------------------

Company Overview

W. O. Grubb is the leading provider of crane rental and steel erection services in the Mid-Atlantic United States. W. O. Grubb was founded in the 1960's with a basic concept, which was to provide high quality steel erection services, equipment, manpower and superior responsiveness to our customers. W. O. Grubb is one of the largest family owned and operated crane rental companies in the nation. Multiple locations serve Virginia, Maryland and surrounding states with crane rentals and service.

Description Summary

A Mechanic's job is to efficiently maintain to the highest quality all of W. O. Grubb's equipment, realize cost savings whenever possible, and help achieve the mission and goals of the company, while maintaining outstanding customer service. The Mechanic usually works under direct supervision and expected to work long hours with frequent standing and moving. Possible exposure to extreme heat or cold external temperatures, and subject to working weekends and holidays.

Responsibilities:

- Responsible for performing PM and corrective maintenance on diesel engines, booms, electrical systems (including troubleshooting onboard computer systems), hydraulic systems (booms, outriggers, pumps), brakes and other basic components;
- Ensure that all service reports are completed correctly and submitted to the Maintenance Supervisor;
- Ensure that all routine maintenance is performed (and documented) according to specific equipment and manufacturer's specifications;
- Ensure that all required repairs are completed efficiently and cost effectively, and that all repairs are documented in detail;
- Ensure that all required reports and forms are completed and submitted in a timely manner.

Knowledge, Skills, and Experience

Essential:

- Must have the ability to work on hydraulic and conventional cranes, forklifts, tractor trailers and miscellaneous equipment;
- Must work well and communicate effectively with operator and other mechanics;
- Possess a minimum of a high school diploma or equivalent;
- Must be able to pass a drug test, background check, and fit for duty test.

Desired:

- Minimum of 3 years’ experience in crane maintenance with proven troubleshooting skills;
- Experience in crane operations (CCO is highly desirable);
- Must work safely in a fast paced environment – many times under pressure;
- Experience with Grove, Demag, Link-Belt and Liebherr cranes;
- Experience in diesel, gasoline and propane engines;
- Proven ability to read electrical and hydraulic schematics;
- Creative thinking skills to make continuous improvements;
- Prefer candidates with proficient oral and written communication skills, technical skills, and functional skills;
- Willing to work day and night shifts, weekends and holidays.

Physical Demands

The Americans with Disabilities Act (ADA) requires employers to identify essential functions of a role. As a result, the following table was created. Please note: This checklist should not be considered all-inclusive.

Function	Essential Function		Frequency		
	Yes	No	Occasional (1-33% of the time)	Regular (34-66% of the time)	Constant (67-100% of the time)
Balancing	X		X		
Bending	X			X	
Carrying	X			X	
Climbing	X			X	
Crawling	X			X	
Driving	X			X
